MEC DIESEL CAMBIA LOOK

A BRAND NEW LOOK FOR MEC DIESEL PRODUCTS

Nuova veste grafica e qualità imballo sempre più alta per proteggere i prodotti distribuiti in tutto il mondo

New packaging graphics and higher quality to protect the products distributed all over the world

Etichette con codici a barre per una gestione degli articoli rapida ed efficiente

Labels with barcodes for quick and efficient items management

La **MEC DIESEL** da sempre è attenta alla cura dei dettagli, proprio per questo ha deciso di rinnovare la grafica e la qualità del packaging.

I prodotti Mec Diesel, con oltre 40.000 spedizioni annue, sono distribuiti in tutto il mondo in tempi brevi, grazie alla collaborazione con le maggiori aziende di logistica nazionali ed internazionali.

MEC DIESEL has always paid attention to the details, this is the reason why we have decided to renovate packaging graphics and quality.

Mec Diesel products, with more than 40.000 shipments per year, are distributed all over the world in a short time, thanks to the collaboration with the most important national and international logistics companies.

Selezione di motorini e alternatori per veicoli commerciali italiani

Italian commercial vehicles ST/ALT selection

MEC-Diesel S.p.A, leader nel settore dei componenti motore, nell'ottica di fornire un servizio completo nei confronti dei suoi clienti, mette a disposizione una selezione di motorini e alternatori per veicoli commerciali italiani, pesanti e leggeri.

I componenti proposti sono raccolti per semplificare la ricerca su di un unico catalogo dedicato, riportando riferimenti OEM, riferimenti MEC-Diesel, descrizioni e applicazioni, fornendo i dati necessari per identificare il corretto particolare e garantire la miglior funzionalità del veicolo stesso.

La MEC-Diesel S.p.A, da sempre attenta alle esigenze di mercato, vi ringrazia per la collaborazione in termini di segnalazioni, necessarie per l'aggiornamento gamma prodotti.

MEC Diesel S.p.A.

MEC-Diesel S.p.A, the engine spare parts leader, in order to provide a complete service to its customers, offers a must-have products range concerning the starters and alternators for Italian light and heavy commercial vehicles.

This catalogue is meant to simplify products requests for our Valued Customers, providing OEM references, MEC-Diesel references, descriptions and applications, in order to identify the correct spare part and ensure the best functionality of the engine.

MEC-Diesel S.p.A, always focused on market's needs, thanks you in advance for your co-operation required to update the product lines.

MEC Diesel S.p.A.

È noto che **MEC-DIESEL** è in grado di fornire alla clientela una gamma ed una disponibilità di componenti motore ai massimi livelli del mercato di riferimento. Partendo da questa base siamo in grado di offrire ora anche numerosi altri componenti di sistemi e apparati complementari al gruppo motopropulsore, più semplici da identificare e montare. Il nostro sito di e-commerce si sta migliorando per questo.

MEC-DIESEL is able to provide their customers with the product range and availability of engine components on the top level of the market.

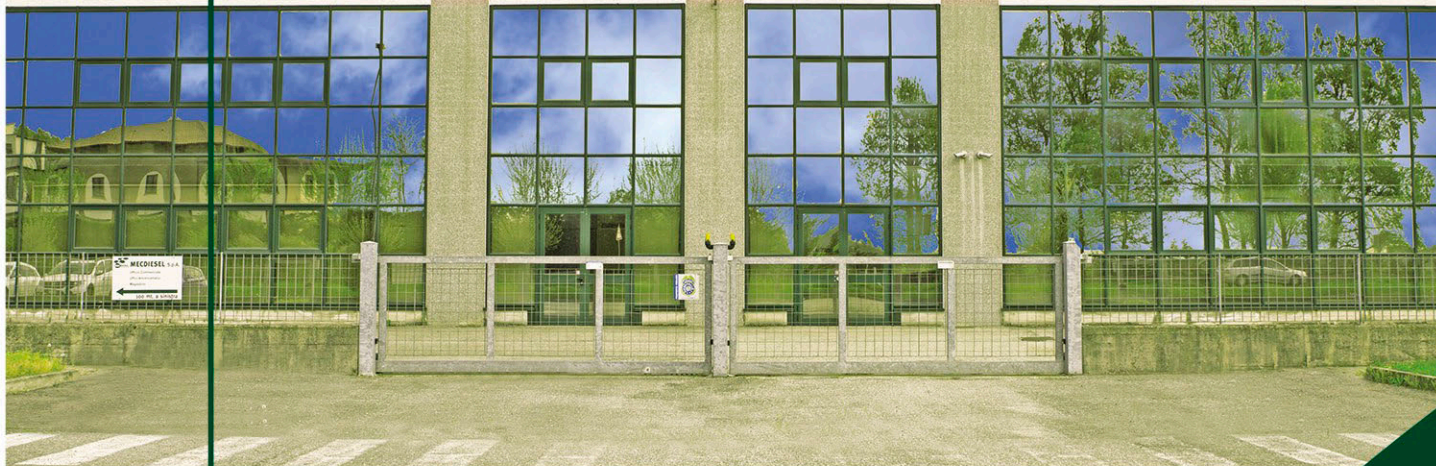

Besides we can offer many other components of the systems and complementary parts to the powertrain, easy to identify and to fit.

Our e-commerce is getting better for this.
