La nuova applicazione di MEC DIESEL, leader nel mercato ricambi motori, vi fa conoscere meglio l'azienda torinese con un video della sede di Candiolo, dei magazzini e degli articoli in vendita. Nell'applicazione troverete anche l'elenco dei prodotti e attraverso le nostre pagine facebook e website potrete trovare tutte le novità e informazioni necessarie sull'azienda.

The new application of MEC DIESEL, a leader in the spare part market, helps you learn more about the company based in Turin with a video of Candiolo office, warehouses and items for sale. There is also a list of products in the application and through our website and facebook pages you will find all the news and information you need about the company.

È noto che **MEC-DIESEL** è in grado di fornire alla clientela una gamma ed una disponibilità di componenti motore ai massimi livelli del mercato di riferimento. Partendo da questa base siamo in grado di offrire ora anche numerosi altri componenti di sistemi e apparati complementari al gruppo motopropulsore, più semplici da identificare e montare. Il nostro sito di e-commerce si sta migliorando per questo.

MEC-DIESEL is able to provide their customers with the product range and availability of engine components on the top level of the market. Besides we can offer many other components of the systems and complementary parts to the powertrain, easy to identify and to fit. Our e-commerce is getting better for this.
